Our Design Process

01. TASTING

First things first; The most delicious part of your wedding planning! You will experience your choice of our flavors in a luxury wedding cake-tasting box. These flavors could be chosen in advance from our menu.

02. CONSULTATION

If you love my product and want me to be your cake artist/baker; The next step of your wedding cake journey begins with a one-on-one design consultation with Chef Erica who will guide you through our process and answer all your questions.

03. DETAILS/QUOTE

After your consultation, tasting, and a detailed estimate of the proposed design/set up, an estimate will be provided for your consideration and approval. A 50% non-refundable deposit is then required in order to confirm your booking.

04. DELIVERY

We will communicate directly with your venue coordinator or wedding planner and take care of delivering your cake, transporting it from our studio to your venue, and assembling it with the most respect.
